

The Doug Benson DAM DAM Paddle Challenge 10th ANNUAL EVENT DETAILS

THE DOUG BENSON DAM DAM PADDLE CHALLENGE – 32 Miler

Begins up the river at the base of Kerr Dam [Trailrace park boat ramp] and provides a smooth steady current heading in to the 32 Mile challenge. After passing under the steel bridge paddlers will be challenged by howling winds, waves and current. Water support is provided. This event will take 7 ½ hours for the leaders. The finish = buoys aligned in front of GASTON DAM. [Paddlers need to be at the boat ramp by 7am]

KERR DAM TO US 1 RECREATION PADDLE – 5 Miler

Also begins up the river at the base of Kerr Dam [Trailrace park boat ramp] and provides a smooth steady current ending at the US 1 blue bridge. Finish = Blue US 1 Bridge boat ramp. [Paddlers need to be at the Kerr Dam boat ramp by 7am]

AF WAKE TO GASTON DAM – 9 Miler

Begins at AF WAKE located at the foot of Eatons Ferry Bridge. Super easy access for anyone looking to participate. Rental boards are available along with plenty of water support. So if you bail after a mile or two you are good to go. This event will take 2 ½ hours for the leaders. The finish = buoys aligned in front of GASTON DAM. [Paddlers need to be at AF WAKE by 12:00noon]

FLOATATION IS REQUIRED FOR ALL PADDLERS
